# Enjoy the festive season at The Market Place

**The Market Place restaurant in Cowbridge makes the festive season magical and memorable with log fires burning bright and a delicious feast of a meal on the table.**

You'll be welcomed as a special guest from the moment you arrive, whether that's for a midweek three-course Christmas lunch or an intimate dinner. Take a break on Christmas Day to join the merry-making with champagne and a five-course lunch; celebrations continue for the whole family on Boxing Day with Sunday Roast and their finale New Year's Eve party and gourmet dinner is legendary with tunes from the resident pianist.
